

Mr. Went-and-Cut-It  
—Here's Mr. "Gets-It"

The New Plan Corn Cure That's as Sure  
as the Rising Sun

"Glad to meet you!" said the razor to the corn. "I'll bleed for you!" says the corn to the razor. Razors and corns love each other.

Corns love to be cut, picked, gouged, salved, plastered and jerked out—they grow faster. Mr. and Mrs. Went-and-Cut-It realize it now—they use "Gets-It" instead—it's the wonderful, simple corn-cure that never fails. Stops pain. You apply it in two seconds, it dries at once, the corn is doomed. Nothing to stick to the stocking or press on the corn. It means good-night to plasters, salves, dresings, razors and toe-bundling. You can wear smaller shoes. Your corns will come right off, "clean as a whistle." Never induces healthy feet. The world's biggest-selling corn cure.

ALL FASCINATED BY  
WOMEN'S HAIR

With a Little Attention, Hair Beauty Can  
Be Quickly Doubled

Nearly every woman who has an ordinary head of hair can by giving it just a little attention have luxuriant hair, soft, fluffy and radiantly beautiful.

It's a good thing to know this because hair preparations that put life and luster into dull-looking hair are scarce, but it is a fact known to nearly every druggist that Parisian Sage, a delightfully clean and refreshing tonic, not only will make your hair look 100 per cent. better, but will quickly stop it from falling, rid it of dandruff and scalp itch.

Parisian Sage is well worth a trial and the Red Cross Pharmacy, who dispose of a great quantity of it, will tell you so, and refund your money if it isn't all you expect.—Adv.

YOUR SICK CHILD  
IS CONSTIPATED!  
LOOK AT TONGUE

If Cross, Feverish or Bilious Give "California Syrup of Figs."

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that it's the stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mother can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs"; then see that it is made by the "California Fig Syrup Company."—Adv.

SOCONY  
KERO-SCENES

"Good morning, Mr. Johnson!"

"Oh! good morning, Mrs. Jones! It's some time since we've seen you."

"Yes, I just stepped in because I saw that SOCONY Kerosene Oil sign in your window. Will you have your wagon stop and get my oil can when you're up my way? The lamps have been giving us a lot of trouble lately and I suspect it's the oil. You can recommend this SOCONY brand, can't you?"

"Yes ma'am. It's the Standard Oil Company of New York's best grade of

kerosene. You'll find it absolutely clean, clear-burning, and it's always the same. Will three gallons be enough?"

"Yes, I think so. And while I think of it, send me up a bunch of this celery, a peck of potatoes, and—let's see—I guess that's all. Oh! yes—and a pound of butter."

"Yes ma'am, we'll send them right up this afternoon. Do you want the delivery man to stop in and take your order to-morrow?"

"Yes, I wish he would, thank you. Good-day."

Moral for the Dealer—Kerosene isn't the only thing the SOCONY sign helps to sell.
